

# The Svelte Chair

Caracole

Our elegant Svelte Chair is graceful in every respect and from every angle. Inspired by Italian design in the mid-century, this chair's extraordinary silhouette is simply breathtaking. This barrel chair is the epitome of refined beauty. Its top rail gently slopes forward while its base gracefully sweeps downward from its sculptural Majestic Gold front legs to balance on the floor in the back of the chair. The chair's interior and loose seat cushion feature a shimmering basketweave fabric in a lovely Moonstone hue while the chair's exterior is meticulously upholstered around its barrel back in a tone-on-tone novelty eyelash embroidery. The exposed gold frame wraps the chair in just the right touch of brilliance. Try grouping four or more chairs around a circular cocktail table in a small den, or library for the perfect conversation area.
