

Streamliner Chair

Caracole

A contemporary take on a classic shape, this accent chair makes a dramatic statement in a refined material mix. Sleek metal lines merge with an open curve and the warmth of wood in a Sepia finish to highlight the banding of eucalyptus. Beautifully balanced within its sculptural frame, a plush seat and back invite luxurious comfort in an Italian cut velvet with a metallic overlay.

SKU: M020-417-132-C

Dimensions in Inches: 25.5W × 26.25D × 28.25H
