

Fleur Side Table W/ Wood Shelf

Caracole

With its sculptural silhouette and natural allure, this side table is an invitation to pause and admire the quiet poetry of design. A top of Unfilled travertine crowns the piece, its raw, organic beauty celebrated in every subtle vein and variation. Cradling the stone is a gracefully curved case, finished in a warm Porcini that reveals the depth and richness of wood grain. The open, rounded form offers both function and finesse—an airy shelf below balances the solid elegance above. At once modern and timeless, this table is a refined companion to any space, evoking a sense of effortless sophistication and understated romance
