

Bedtime Beauty - King

Caracole

A refined expression of modern elegance, this bed reimagines a classic silhouette with soft sculptural curves and a sense of quiet luxury. Its gracefully shaped camelback headboard extends into gently curved wings, creating an enveloping presence that feels both tailored and inviting. Fully upholstered and featuring an exposed wood rail in Auric, it introduces a luminous contrast that highlights the craftsmanship and adds a polished finish. Designed with a low footboard and delicately carved tapered feet, this luxury bed brings together comfort, sophistication, and timeless design for elevated bedroom interiors.
