

The Boutique Bed - Queen

Caracole

A study in softness and modern restraint, this fully upholstered bed creates a serene foundation for the contemporary bedroom. Its clean-lined silhouette and generously scaled headboard offer a sense of calm, inviting comfort while maintaining a refined, architectural presence. Wrapped in a richly textured upholstery, it delivers a tactile experience that feels both elevated and effortless. A plinth base in Pearl grounds the design with a subtle, luminous edge, giving the bed a low, floating profile that enhances its modern appeal. Designed for both comfort and quiet sophistication, this luxury upholstered bed brings balance, warmth, and understated elegance to high-end interiors.
