

Fontainebleau Platform - Queen

Caracole

A study in quiet luxury, this fully upholstered bed brings a sense of softness and refinement to the modern bedroom. Its gently arched headboard creates a graceful silhouette, offering an inviting backdrop that feels both tailored and serene. Wrapped in a supple, neutral upholstery, the design is elevated by an exposed wood frame in Oracle Silver Leaf, adding a luminous edge that traces the form with understated elegance. Slender tapered feet complete the look, giving the bed a light, elevated presence. Blending comfort, craftsmanship, and contemporary design, this luxury bed transforms the bedroom into a calm and beautifully considered retreat.
