

# Mosaic

Caracole

Inspired by Silk Road, an expressive portrayal of the infamous road from Xi'an to Constantinople as painted by artist Iris Feng. A reproduction of original artwork was digitally printed on canvas and hand-applied to the wood door fronts. Encased in Satin Ebony for added depth, this beautifully rendered piece is designed with four touch-latch doors to seamlessly conceal storage space within. Perfect for media and entertainment, it features a center drawer, adjustable shelves, and cutouts in the back panel to allow for cord management. Its fluid design also works well in foyers and entryways, or as a statement-making buffet.
