

Vanity Fair

Caracole

A timeless tribute to our love affair with beauty, Vanity Fair recalls a time when getting ready for a night out required a special table for dressing. An extravagant mix of materials accentuates its classic, kidney bean shape, topped in gray Armani marble and supported by Koto veneered columns. Adding to its allure: curved swivel door fronts in Charcoal Leaf, softly contrasted by three top drawers in a calming Cloud finish. Features painted interiors with a round swivel shelf and a Brushed Gold metal gallery for keeping beauty essentials. Designed with today's function and scale in mind, it also makes an elegant desk.
