Marjorie Skouras designed the Tulum Extra Large Chandelier, which was inspired by the tropical beauty of the Yucatan Peninsula where she lives. This is an elegantly delicate design, as the sand dollars are cast in semi-translucent bone china and they make a pretty sound when a breeze ruffles them. There are three sizes of removable sand dollars on this design, making it easy to clean. The sugar white finish on the hardware complements the pale discs on this nature-inspired chandelier, making it apropos for rooms overlooking the ocean.
