Socket Type: E26

Watts per Socket / Item: 7 / 14

Cord: 6' Clear Silver

Switch: Pull Chain

Shade: Brass Metal

Shade Dimensions: 15.75" x 6.25"h

Aimee Kurzner designed the Miles Table Lamp; the travertine lamp inspired by other pieces with the same name. The mid-century modern vibe is enhanced by the simple shapes of the lamp's base and body, and the domed brass shade that caps it. Because this beige lamp is made of natural stone, texture and color may vary from lamp to lamp.
