Item Weight: 19 lb
Number of Lights: 1
Suggested Bulb: Integrated LED
Socket Type: LED Engine
Watts per Socket / Item: 17 / 17

Chain Included: 6' Satin Black
Cord: 13' Black

The Morningside Semi-Flush Mount has curved rattan stems and a circlet in the same material that holds the milky glass bowl in place. The warmth of the natural material is a contrasting element to the pale glass, and the black metal hardware adds an even stronger variation to this overall composition. Though the woven semi-flush is made of a natural material, it is contemporary in its design. It is also fitted with an integrated LED source.
