Suggested Bulb: A Standard Bulb

Socket Type: E26

150/150

Cord: 7' Silver

Switch: 3-Way Turn Knob

Shade: Natural Linen

Shade Dimensions: 18" x 10"h

The Boudoirs Table Lamp looks like a found relic that has spent ages underground. The patina is the result of an intermingling of textured dark gray and off-white concrete, which creates a stippling effect on the columnar body of the gray lamp even in the furrows that are carved into its surface. The rounded edges on the sections gives this lamp added rustic charm.
