Number of Lights: 1

Suggested Bulb: A Standard Bulb

Socket Type: E26

150/150

Cord: 7' Silver

Switch: 3-Way Turn Knob

Shade: Brown Natural Rope

Shade Dimensions: 15" x 16" x 10.5"h

The Aarna Black Table Lamp, with its basketweave pattern, is made of pieces of wood interspersed with strips of black composite. The contrast of the textural woodgrains and the sleek composite creates an interesting aspect to this design, as do the angular lines of the rectangular body that echo the scale of the elongated pieces on its surface. The drum shade contributes to the feeling of complexity that is obvious with this design.
