Fidella Table Lamp

6000-0952

New

Overall: 24"h x 16"dia

Finish: Reactive Black & White/Brushed Nickel

Materials: Ceramic

Item Weight: 8 lbs.

Number of Lights: 1

Suggested Bulb: A Standard Bulb

Socket Type: E26

150/150

Cord: 6' Silver

Switch: 3-Way Turn Knob

Shade: Off-White Linen

Shade Dimensions: 15" x 16" x 10"h

The reactive black and white glaze on the surface of the Fidella Table Lamp is only one of the facets of this design that brings it a jaw-dropping texture. The bubbles that are inherent in artisanal glazing and the striations carved into the body of the ceramic lamp also contribute to the patina. The finial that matches the pear-shaped body's color and fastens the drum shade to the gray lamp completes this interesting composition.
