4000-0154

In Stock / New

Overall: 23.5"h x 12"dia

Finish: Gold/Clear

Materials: Cast Aluminum/Cast Glass

Item Weight: 12 lbs.

The point at which art and fine craftsmanship meet is where the Acea Gold Drinks Table resides. Made of cast aluminum poured into a hammered mold to create even greater texture, the gold drinks table is topped with a cast glass disc that is equally textural and luminous. This table will be a piece of jewelry in a space.
