Arlan Coffee Bench, Busio Desert

7000-0982

In Stock / New

Overall: 32"h x 60"w x 24"d

Seat Height: 19"

Finish: Coffee Brown/Antique Brass

Materials: Ash Wood/Brass

Item Weight: 51 lbs.

The Arlan Coffee Bench, which is made of ash wood in a coffee brown finish, has tailored contemporary lines. The back and seat are covered in a nubby performance fabric called Busio Desert, and the tapered legs that run along the sides and back are sophisticated design details on this piece of upholstery. The ferrules on the dark brown and white bench are in an antique brass finish.
