Arlan Coffee Side Chair, Busio Desert

7000-0962

In Stock / New

Overall: 32"h x 21.5"w x 22.5"d

Seat Height: 19"

Finish: Coffee Brown/Antique Brass

Materials: Ash Wood/Brass

Item Weight: 17 lbs.

The Arlan Coffee Side Chair, which is made of ash wood in a coffee brown finish, has tailored contemporary lines. The back and seat are covered in a nubby performance fabric called Busio Desert, and the tapered legs that echo the lines of the supports for the seatback are sophisticated design details on this piece of upholstery. The ferrules on the dark brown and white side chair are in an antique brass finish.
