Colette Cabinet

3000-0297

In Stock / New

Overall: 36"h x 60"w x 20"d

Finish: Tawny Brown/Polished Brass/Mirror

Materials: Figured Eucalyptus/Stainless Steel/Glass

Item Weight: 234 lbs.

The Colette Cabinet is made of poplar wood that is covered in Eucalyptus veneers with a beautiful linear texture to them, heightened when finished in a tawny brown. Elevating the sophistication of the three-door cabinet is a high-gloss luster on the exterior. The luminous beveled mirror accents, which sit proud on the surface of the cabinet, are surrounded by stainless steel rings in a polished brass finish to match the ferrules on the legs.
