*In Stock / New*

Overall: 24.5"h x 10.5"w x 9.25"d

Finish: Bronze

Materials: Cast Aluminum

Item Weight: 13 lbs.

The Delle Black Drinks Table has Bronze Age elements, though in the most modern sense of the style. Made of cast aluminum in a bronze finish, the profile of the geometrically sophisticated table has heft for such a small piece of furniture.

The black drinks table can also skew rough luxe, style-wise.
