Item Weight: 100 lbs.

The Indeo Morel Nightstand is an intricate piece of furniture. Made of two sizes of solid oak slats that are clad in oak veneers and inset into the frame, the piece is covered in a morel brown finish. A unique design detail is the peek-a-boo illumination that can be seen through the drawers when they are open because of the spacing between the ribs of wood. The two-drawer nightstand sits cleverly on iron legs with generously sized stretchers in a black finish. The drawers are push-to-open.
