Dakota Small Cocktail Table

3000-0262

In Stock / New

Overall: 18.5"h x 23.75"dia

Finish: Morel Brown/Natural/Polished Brass

Materials: Oak/Crema Marfil Marble/Brass

Item Weight: 45 lbs.

The Dakota Small Cocktail Table has reeded pedestal base made of solid oak with a brass plinth at the bottom. The oak veneer top has a slice of Crema Marfil marble wedged into it. Fine chamfers seam the two materials as a nice detail that Aimee Kurzner brought to this mid-century-modern inspired design.
