Dakota Large Cocktail Table

3000-0261

In Stock / New

Overall: 15.5"h x 35.25"dia

Finish: Morel Brown/Natural/Polished Brass

Materials: Oak/Crema Marfil Marble/Brass

Item Weight: 85 lbs.

The Dakota Large Cocktail Table has a reeded pedestal base made of solid oak with a brass plinth at the bottom. The oak veneer top has a slice of Crema Marfil marble wedged into it. Fine chamfers seam the two materials as a nice detail that Aimee Kurzner brought to this mid-century-modern inspired design.
