Item Weight: 12 lbs.
Number of Lights: 1
Suggested Bulb: A15
Socket Type: E26
60/60

Chain Included: 6' Aged Steel
Cord: 13' Black

Perfectly pear-shaped, the Endymion Chandelier has a wire cage made of wrought iron in an aged steel finish from which undulant leaves in a brass finish flow upwards. The narrowing metal ornamentations reflect the light that glows from within a central white glass globe. Creating fluid designs from resolute metal to bring the feel of nature indoors is a fascination our designers continue to explore.
