## Arvi Round Mirror

1000-0137

*Bestseller*

Overall: 1.25"d x 41.75"dia

Finish: Natural / Black

Materials: Bone / Composite / Glass

Item Weight: 37 lbs.

The Arvi Round Mirror has a winning personality thanks to the dynamic mix of ivory bone and black composite that form an interlaced patten. While the black pieces that narrow to a refined point are smooth, the bone sections have been carved in convex rows. The edges of the frame are also carved in larger convex shapes to add interest to the profile of the black and beige mirror.
