1000-0121

In Stock

Overall: 0.75"d x 24"dia

Finish: Cream / Brass

Materials: Composite / Bone / Engineered Wood / Glass

Item Weight: 9 lbs.

The Niva Round Mirror has the look of horn thanks to the talented artisans who work with composite to make it look like a natural material. The round frame is fitted with a metal ring in a brass finish where it intersects with the mirror, which draws out the warm tones in the faux horn. The outside of the frame is finished in cream to echo the lighter tones, which brings this white decorative mirror a pale and pretty profile.
