Santos Sea Sand Rectangular Mirror

1000-0127

In Stock

Overall: 47.25"h x 35.25"w x 2"d

Finish: Sea Sand

Materials: Rattan / Mahogany / Glass

Item Weight: 29 lbs.

The Santos Sea Sand Rectangular Mirror is handmade of rattan, the rounded shapes extremely difficult to achieve with such a strong material. Then a sea sand finish covers the entire frame; the subtle patina it brings to the tan decorative mirror another design detail worth noting. The beveled edges on the mirror are also done by hand, and there are two cleats on the back so that it can be hung vertically or horizontally.
