Dario Round Gray Mirror

1000-0130

In Stock

Overall: 1.25"d x 38.5"dia

Finish: Gray

Materials: Marble / Glass

Item Weight: 49 lbs.

The Dario Round Gray Mirror is a seriously sturdy decorative mirror. Made of slices of marble in varying thicknesses and lengths, the interplay of short and long, and thick and thin brings the profile a nice dose of texture, as does the graining in the natural material. Inspired by a tile mosaic, a refined aspect of the design is how the substrate base is painted in a matching hue to make every aspect of the gray mirror seamless.
