## Glasdele Round Mirror

1000-0145

*In Stock | Bestseller*

Overall: 1.75"d x 39.5"dia

Finish: Antique Brass / White

Materials: Iron / Glass

Item Weight: 30 lbs.

The Glasdele Round Mirror is made of pieces of frosted milky glass fitted into antique brass-finished metal edging. It requires mathematical precision to fit the tapered pieces of art glass around the mirror so they are uniform.
