## Dezi Console Table

4000-0204

*In Stock | New*

Overall: 34"h x 48"w x 12"d

Finish: Natural / Brass

Materials: Travertine / Brass / Iron

Item Weight: 77 lbs.

The Dezi Console Table has a top set with natural travertine tiles arranged in a stacked dark-and-light pattern with lines of brass inlay running throughout. The effect of the intermingling of materials is a pop of brightness as the natural light shines on the metal and a hint of warmth as the stone absorbs it. The top on the gold console table is supported by clean-lined legs that are made of iron and connected by an x-shaped stretcher.
