Jussi Drinks Table

4000-0208

In Stock | New

Overall: 21.5"h x 12"dia

Finish: Gold

Materials: Cast Aluminum

Item Weight: 8 lbs.

The Jussi Drinks Table is quintessentially artisanal, as the cast aluminum piece was made using the complex process that makes the formation of castings so unique.

Though this is a small gold drinks table, it is heavy. Design details include the brutalist texture and style in which the jewelry chain motif is presented.
