In Stock | New

Overall: 25"h x 10.75"dia

Finish: Black Nickel / Clear

Materials: Cast Aluminum / Cast Glass

Item Weight: 20 lbs.

The Grove Drinks Table has legs designed to be a clean, contemporary version of mangrove roots. The aluminum shape in a black nickel finish holds a cast glass top that is extremely artisanal given it is made by hand in a mold. This artisal effect brings this black drinks table a strong appeal for such a small piece of furniture.
