Cord: 13' Gold

The Aviary Gold Two-Tier Chandelier is a gleaming example of sophisticated biophilic design. Inspired by an antique fixture, the gold chandelier has flowing leaf and floral motifs in a Swedish Gold finish that match the tails of birds perching within the foliage. Originally carved by a sculptor, the cockatiels, sparrows, and macaws were carefully recreated out of composite to match the original works of art. The 12-light chandelier is dimmable.
