The Barbary Oval Outdoor Chandelier has an upturned boat-shaped shade made of all-weather wicker that can easily withstand the elements, as will the rods from which it hangs in a black powder-coated finish. The uniform weave on the tan chandelier is painstakingly achieved by hand, and a sophisticated detail is how the milk-glass globes on the three-light chandelier glow through the circular cut outs. The Barbary is wet location-tested so it is ideal for lighting patios and porches, and this oval chandelier is a terrific choice for hanging above rectangular outdoor dining tables.
