Item Weight: 5 lbs.

Number of Lights: 2

Suggested Bulb: G8

Socket Type: G8

5/10

Cord: 1' Black/White

Everything about the Marilee Double-Light Wall Sconce is luminous, from its Dutch Gold Leaf finish to the crystal blossoms that rise from the ends of its stems. The bulbs are nestled into the faceted pink crystals to bring effervescence to the glass. The detailing on the arms looks like leaves flowing up from the wallplate and a palm detail spritzes beneath the blossoms like implied bobeches. The gold wall sconce, which is made of wrought iron, is dimmable.
