Shade: Natural Rattan

Shade Dimensions: 8.5" x 36.25" x 15"h

The Nirvana Grande Floor Lamp has an overscale geometric body made of cane rattan from which the skin was stripped to give the natural material a matte texture. The flared empire shade is made of thicker rattan to provide the floor lamp with an Asian-inspired flair. Three bulbs emit an abundance of warm illumination, and the Nirvana turns on and off with an inline foot switch.
