The Bronwen Brass Bath Wall Sconce is an equestrian-inspired design with a flaring white glass shade fastened to the round wallplate with a sophisticated strap—a subtle nod to classic tack hardware. It can lean modern farmhouse, though it also complements other design styles. The metal in an antique brass finish is a nice contrast to the paleness of the shade, which has a glossy surface that glows. At nearly 12 inches tall, the one-light sconce is damp rated and dimmable.
