Cord: 13' Clear Silver

The Bronwen Brass Pendant is an equestrian-inspired design with a flaring white glass shade fastened to the round canopy with a sophisticated strap—a subtle nod to classic tack hardware. The profile can lean modern farmhouse, though it also complements other design styles. The metal in an antique brass finish is a nice contrast to the paleness of the shade, which has a glossy surface that glows. At 19 inches in diameter, the one-light pendant is dimmable.
