Socket Type: E12

7.5/120

Chain Included: 6' Pearlized White

Cord: 13' Clear Silver

The Lusso Chandelier has a graceful profile created by discs of capize shells that hang from a hand-forged frame that resembles thorny stems. A pearlized white finish on the wrought iron complements the paleness of the shells. The discs of the natural material, which are hand-cut, taper as they flow toward the bottom, which is staggered. This white chandelier with its sixteen lights will glow powerfully overhead. The Lusso is dimmable.
