Materials: Coco Shells / Wrought Iron

Item Weight: 3 lbs.

Number of Lights: 1

Suggested Bulb: B Torpedo Tip

Socket Type: E12

60/60

Cord: 1' Black/White

The design of the Maypan Wall Sconce has flowing upward limbs that hold petals made of bleached coconut shells inspired by the fronds that flow from the crown of the palm tree after which it is named. These are tonally in sync with the wallplate, which is made of wrought iron in a coco cream finish, and are fastened to the tree-like shape with tiny brads—the painstaking process a time-intensive one. The one-light sconce is dimmable.
