Cord: 13' Clear Silver

The Fraxel Pendant has a shade made of creatively wrapped Kraft Paper twine, the shape and the macramé feel of the string bringing the beige pendant a mid-century modern feel. The twine is painstakingly double-wrapped on both the outside and the inside of the wrought iron frame in a vanilla finish. A frosted white glass globe holds the one light, which is dimmable, within the textured shade that flares to 17 inches in diameter at its widest point.
