Arco Green Onyx Hexagon Box

1200-1036

In Stock | New

Overall: 3"h x 7"dia.

Finish: Natural

Materials: Green Onyx

Item Weight: 7 lbs.

The Arco Green Onyx Hexagon Box has contemporary lines contrasted by lively veining that is natural to the luminous stone. The patterns on these ancient stones are painterly when sections are smoothed to reveal them. The variations are endless, so each of these pale green boxes will vary slightly. On some decorative boxes, the bright rust veining will be subtler while on others, it will be bolder.
