In Stock | New

Overall: 1.75"h x 9.75"w x 9.75"d

Finish: Natural

Materials: Aravali Onyx

Item Weight: 10 lbs.

The Bilbao Aravali Onyx Rectangular Tray is made of natural stone with lovely pastel pink and green veining flowing along its surface. The material is sourced from the Aravali Mountain Range in India. Design details include a narrow plinth where the tray tapers off at the bottom and feet that elevate it slightly from the surface. Because this is a natural stone, the veining will vary from piece to piece.
