## Camouflage Medium Vase

1200-0987

*In Stock | New*

---

Overall: 11.5"h x 11.25"dia.

Finish: Green / Brown / Off-White

Materials: Porcelain

Item Weight: 8 lbs.

The Camouflage Medium Vase is a fusion of modern technology and artisanal vision. Crafted from 3D-printed porcelain, this vase rises in a dynamic swirl shape that is splattered with green and dark orange glaze to create a camouflage-inspired pattern on the surface of the white porcelain. Because the glaze is hand-applied, each vase will be slightly different, and the Camouflage is not water-tight.
