Carson Ivory Mirror

1000-0163

New

Overall: 43"h x 29"w x 2"d

Finish: Ivory Terrazzo

Materials: Fiber Concrete / Stone / Shells / Glass

Item Weight: 46 lbs.

The Carson Ivory Mirror combines modern durability with refined elegance, making it a standout piece for both indoor and covered outdoor spaces.

Designed with a sturdy concrete frame, it features an ivory terrazzo finish sprinkled with tempered glass fibers that create soft amber and metallic flecks. Built to withstand covered outdoor conditions, this mirror will be just as fitting for patios as for entryways or living areas. The mirror, which is poured in one solid piece, measures 43 inches by 29 inches.
