The Ming Offering Pedestal Bowl is made of hand-painted porcelain in a classic blue and white pattern. The elegant piece features intricate floral and geometric motifs that honor the refined artistry of the Ming dynasty. The bowl rests on a graceful pedestal that elevates it to make it a perfect centerpiece. Whether it is filled with fruits or decorative accents or simply left empty to be admired as a work of art, it will radiate beauty. Because it is hand-painted, patterns will vary slightly on each piece.
