1200-0997

In Stock | New

Overall: 11.75"h x 11.5"dia.

Finish: Blue / Dark Gray

Materials: Porcelain

Item Weight: 8 lbs.

Organic and expressive, the Free-Form Blue Vase is a sculptural piece crafted from hand-thrown porcelain in the shape of an abstract seed pod. Above its soft gray base, a falling turquoise glaze cascades down the surface, ending half way to the bottom to create a nice contrast. Each vase is handmade, resulting in slight variations in shape and in the glaze, making every piece read as if it is a studio piece shown in galleries.
