Giada Rosa Small Bust Sculpture

1200-1040

In Stock | New

Overall: 9"h x 4.5"w x 3"d

Finish: Natural

Materials: Rosa Cappuccino

Item Weight: 5 lbs.

The Giada Rosa Large Bust Sculpture is crafted from Rosa Cappuccino marble. Its soft pink torso has darker and lighter veining that crisscrosses it to bring it the feel of an antique piece. The clean, pared down lines of the implied body contrast the voluptuous form. This pink sculpture, which will vary slightly given it is made of natural stone, stands almost 9 inches tall.
