*In Stock | New*

Overall: 11"h x 5.25"dia. | 18"h x 6.5"dia.

Finish: Brown / Light Blue

Materials: Porcelain

Item Weight: 13 lbs.

The Happy 80's Green & Brown Vase Set captures the playful spirit of the 1980s with a modern twist. The duo includes two hand-thrown porcelain vases with unique striations of earthy brown and pastel green that were applied while the vases were spinning on the potter's wheel. The resulting patterns highlight the artisanal craftsmanship behind each piece, as painting lines of color so uniformly while the vases are spinning is a painstaking process.
