1200-1049

New

---

Overall: 10"h x 8"dia. | 6"h x 7"dia. | 6"h x 7"dia.

Finish: Marbleized Gray

Materials: Wood

Item Weight: 7 lbs.

The Marbleized Stacking Box Set includes three organically shaped decorative containers. Made of wood, the surfaces of the rounded boxes have been treated to a gray marbleized technique that was developed for paper during the 15th century. The sense of movement this brings to these pieces makes their rounded forms feel as if they are in motion. There will be variations on the exteriors of these accessories given they are painted by hand, a beautiful quality of this technique.
