## Turbinella Rectangular Mirror

1000-0168

*In Stock | New*

Overall: 48.25"h x 32.5"w x 3"d

Finish: Natural

Materials: Shells / Wood / Glass

Item Weight: 46 lbs.

The Turbinella Rectangular Mirror has a tone-on-tone texture created by an artful arrangement of white seashells in varying shapes and sizes that are individually placed by hand. Measuring 48 by 32 inches, this mirror has a soft white palette that keeps the look fresh and airy. The mirror comes with cleats that allow it to be hung vertically or horizontally. Each mirror frame will vary slightly given the shells are natural.
